Dear Friends,

It is with some regret, and much excitement, that I announce my somewhat earlier than expected retirement from NOAA Fisheries effective May 1, 2025. In the twenty-four years that I have served the Southeast Fisheries Science Center, I have enjoyed working with each of you, and I continue to value the important work we do. I plan to pick-up some consulting work, and I hope to see you again soon in another capacity. I will cherish the times we shared, and I wish you all the best.

You can reach me at my personal email address, shannon.calay@noaa.gov, or on my personal cell phone 786-267-1099.

Shannon Cass-Calay
